As The Queen's Personal Representative in the area, I would personally like to thank all the volunteers and local businesses for all you have done and continue to do for the residents of Howden and the surrounding areas during these difficult times.

Your ongoing commitment and hard work to provide support for the most vulnerable residents in these difficult circumstances is to be commended.

For those businesses who have had to close due to the pandemic, I wish you a speedy return once some form of normality is restored.

I know your efforts are deeply appreciated by so many.

Thank you and best wishes,

James Dick, OBE
HM Lord-Lieutenant of the East Riding of Yorkshire
