SOCIAL MEDIA AND ELECTRONIC COMMUNICATION POLICY

The use of digital and social media and electronic communication enables Howden Town Council to interact in a way that improves the communications both within the Council and between the Council and the people, businesses, and agencies it works with and serves.

The Council has a website (www.howden-tc.gov.uk) and its own Facebook page (www.facebook.com/HowdenTownCouncilPage/).

The Council will always try to use the most effective channel for its communications. Over time the Council may add to the channels of communication that it uses as it seeks to improve and expand the services it delivers. When these changes occur, this Policy will be updated to reflect the new arrangements.

The Facebook page is available to provide information and updates regarding activities and opportunities within the Town and promote our community positively.

Communications from the Council will meet the following criteria:

- be civil, tasteful, and relevant
- not contain content that is knowingly unlawful, libellous, harassing, defamatory, abusive, threatening, harmful, obscene, profane, sexually oriented or racially offensive
- not contain content knowingly copied from elsewhere, for which we do not own the copyright
- not contain any personal information
- if it is official Council business, it will be moderated by the Clerk
- not be used for the dissemination of any political advertising

In order to ensure all the discussions on the Council page are productive, respectful and consistent with the Council's aims and objectives, we ask you to follow these guidelines:

- be considerate and respectful of others – vulgarity, threats or abuse of language will not be tolerated
- differing opinions and discussion of diverse ideas are encouraged, but personal attacks on anyone, including Council members or staff, will not be permitted

Howden Town Council

- stay on topic
- refrain from using the Council's Facebook page for commercial purposes or to advertise market or sell products

We do not have the resources to monitor social media pages, comments and/or messages. Therefore, commenting on all our posts is switched off (due to the nature of the Visit Howden social media page, commenting will be left on this for marketing purposes however, this will be relooked at every RAM meeting following a report from the Clerk, or if needed the Clerk with delegated powers can turn the commenting off at any time following consultation with two Chairs of Committee) and details of how to contact through the Council's official email will be noted on all posts. An auto response is set up for anybody using the messaging facility on social media directing them to the Council's official email address and no comments will be replied to. This also aids in any FOI requests as all correspondence will be via email.

We retain the right to remove comments or content that include:

- obscene or racist content
- personal attacks, insults or threatening language
- potentially libellous or defamatory statements
- plagiarised material; any material in violation of any laws, including copyright
- private, personal information published without consent
- information or links unrelated to the content of the forum
- commercial promotions or spam
- allegations of a breach of a Council's policy or the law

The Council's response to any communication received not meeting the above criteria will be to either ignore, inform the sender of our policy, or send a brief response as appropriate. This will be at the Council's discretion based on the message received. Any information posted on social media not in line with the above criteria will be removed as quickly as practically possible. Repeat offenders will be blocked. If the post alleged a breach of a Council's policy or the law, the person who posted it will be asked to submit a formal complaint to the Council or report the matter to the Police as soon as possible to allow due process.

The Clerk has the delegated power to block any person/page from following the Howden Town Council social media page or any other page the Town Council has responsibility for. These will all be noted for Council validation and reported to Facebook.
